OUR CLIENTS

Testimonials

“ Xapiens provides Petrosea with full range of ICT solutions that have enabled us to focus on the core business while ensuring overall effectiveness and reliability. Xapiens management team have always been consistent and innovative. Together we have overcome many challenges and realized value. Xapiens services have been exceptional.

ROMI NOVAN INDRAWAN
Former President Director
PT Petrosea Tbk.

“ Xapiens supports ALVA in building our lifestyle mobility solution. All integrated in one-stop ERP solution.

PUTU SWADITYA YUDHA
Chief Business Officer ALVA

“ Xapiens plays a crucial role for Interport in establishing and continuously improving LINTAS – our core operating system platform. We hope the strategic partnership & synergy between our two companies will continue to strengthen in the future and bring positive impacts to both companies specifically and Indika Energy Group in general.
